About This Game

Unlasting Horror is a true first person horror survival game with you finding a abandoned Manor in the middle of your walk through the woods, when you go inside, you are met with a unusual foe... a creature not known on the earth. You find yourself locked in with these creatures and fight to survive while discovering the Manors secrets.

You will have some objects that may help you in the dark, gameplay uses the first person perspective. You can interact and examine all objects. The game has a lot of puzzles that will make your journey never boring.

Tired of cliché horror games? FEATURES:

- First-Person Realistic atmosphere
- Realistic survival techniques within the horror elements
- Real Enjoyable Horror Game Experience
- Developers continuing updating a horror game. (yes with future plans for co-op multiplayer & steam workshop support)
